

# UCLA Paramedic Education

*previously known as the Daniel Freeman Paramedic Program*

## Excellence.

### *It's our history*

We are one of the **original** paramedic programs in the country, **the first to be nationally accredited**, and we proudly continue the tradition of creating exceptional and compassionate healthcare professionals. We have over 3,000 graduates around the world!

### *It's our passion*

Our motto is "matching energy with energy." It allows us to create the most effective learning environment for every motivated student. Here are **a few facts for you**:

- **92% of students** that start our program, **graduate!**
- Our students have a **90% first-time pass rate** on the National Registry Exam certifying exam and
- **95% are working as paramedics** within 6 months of graduating.

### *and it's available to you!*

Our program, as always, is open and available to all students (you do not have to be sponsored by or affiliated with a fire department to attend!).

### *Why YOU should COME HERE*

**Get ready for your DREAMJOB. Whether it's to be a paramedic or then be a firefighter, physician assistant or more, get ready to stand out and succeed! We offer you:**

- A dynamic course including a Human Anatomy Lab
- Clinicals at many L.A. area trauma centers & hospitals
- Field Internships with major fire departments in L.A.
- 36 college credit units through WLAC
- Financial Aid, Scholarships, GI Bill & **Payment Plan**
- **Nationally** recognized faculty members & EMS leaders including:
